Dear Public Housing Residents,

At the end of May, the MPHA Board of Commissioners approved a document called “Guiding Principles for Redevelopment and Capital Investments at MPHA.” We are sharing this final version with all residents.

There are no specific changes planned for any building at this time. However, MPHA faces challenges as our buildings get older. We plan to make meaningful decisions that will preserve our public housing for you and for those who will need it in the future. These “Guiding Principles” promise that we will always follow our mission to provide as much quality, deeply affordable housing as possible.

MPHA residents helped us build this document. It states that no one will lose housing because of redevelopment. As much as possible, we will minimize displacement and relocation. Current residents will have the first right to return to their building or property when work is done. Finally, the Guiding Principles state that we will come to you early and often to seek your input on any changes that might affect you. We are only at the very beginning of our planning process. But I promise that this conversation will continue, and I look forward to talking with you more.

Sincerely,

Greg Russ, MPHA Executive Director/CEO

The “Guiding Principles” document is available at <http://MPHAOnline/GuidingPrinciples>

Gacaliyeasha Deggan Guryaha Dowladda,

Dhamaadka bisha May, Guddiga Komiishannarada MPHA ayaa meel mariyey dokumenti lagu magacaabo “Mabaadii’da Jiheynta Dib u Qaabeynta iyo Maalgelinta Maaliyadda ee MPHA.” Nuqlukan ugu dambeeya ayaa waxa aan la wadaageynaa dhamaan dadka deggan guryaha.

Ma jiraan wax isbeddel khaas ah oo loo qorsheeyey guri ka mid ah guryaha wakhtigan xaadirka ah. Hase yeeshee, MPHA ayaa soo food saaraya caqabado ayadoo ay guryuhu noqonayaan kuwo sii gabooxay. Waxa aan qorsheyneynaa inaan qaadanno go'aammo wax u ool ah oo loogu ilaalinyo guryeheenna dowladda idinka iyo kuwa u baahan doona mustaqablka. “Mabaadii’dan Jiheynta” ayaa ballan qaadaya in aanu mar walba raaci doonno hadafkeena ah in aan bixino guryo sida ugu suurto galnimo badan u tayeysan aadna ugu jaban.

Dadka deggan MPHA waxa ay naga caawiyeen inaan abuurno dukumeentigaan. Dukumentigaan waxa uu tilmaamayaa in qofna uusan waayi doonin guri dib u qaabeynta awgeed. Sida ugu suuro galnimo badan, waxa aan yareyn doonaa qax iyo dib u dejin. Dadka hadda deggan guryaha ayaa lahaan doona xorriyadda koowaad ee ay dib ugu soo noqonayaan guryohooda ama dhulkooda marka ay shaqadu dhamaato. Ugu dambeyn, Mabaadii’da Jiheynta ayaa tilmaameysa in aan idin imaan doonno goor hore iyo mar walba si aan u helno taloooyinkiinka la xiriira wax isbeddelo ah oo laga yaabo inay idin saameeyaan. Waxaa aan mareynaa oo keliya billowga hawlo qorsheedkeena. Laakiin waxa aan ballan ku qaadayaa in uu wadahadalkaan sii socon doono, waxaanse rajaynayaa in aan in badan wada hadli doonno.

Mahadsanidiin,

Greg Russ, MPHA Executive Director/CEO

Estimados residentes de viviendas públicas,

A fines de mayo, la Junta de Comisionados de MPHA aprobó el documento llamado "Principios orientadores para inversiones en proyectos de reconstrucción y de capital en MPHA". Queremos compartir esta versión final con todos los residentes.

No hay cambios específicos planeados para ningún edificio en este momento. No obstante, MPHA se enfrenta a desafíos a medida que nuestros edificios envejecen. Planeamos tomar decisiones importantes que preservarán nuestras viviendas públicas para ustedes y para aquellos que las necesiten en el futuro. Estos "Principios orientadores" prometen que siempre seguiremos nuestra misión de proveer viviendas de calidad al costo más asequible posible.

Los residentes MPHA ayudaron a crear este documento. El documento establece que ninguna persona perderá su vivienda debido a la reconstrucción. En la medida posible, minimizaremos el desplazamiento y la reubicación de los residentes. Los residentes actuales tendrán la primera prioridad para volver a su edificio o propiedad cuando se terminen los trabajos.

Finalmente, los Principios orientadores establecen que nos acercaremos a ustedes con tiempo y en forma periódica para pedir sus opiniones sobre los cambios que podrían afectarles. Estamos recién en el comienzo de nuestro proceso de planificación. Pero les prometo que esta conversación continuará, y espero hablar con ustedes sobre otros detalles.

Atentamente,

Greg Russ, MPHA Executive Director/CEO

El documento "Principios orientadores" está disponible en este idioma en <http://MPHAOnline/GuidingPrinciples>

Guiding Principles for Redevelopment and Capital Investments at MPHA

Approved by the MPHA Board of Commissioners on May 24, 2017

MPHA will engage in a public, portfolio-wide planning process to assess the needs and mission-oriented opportunities at all properties owned by MPHA. This process has two primary goals:

- Ensure the long-term physical and financial viability of MPHA's existing public housing stock; and
- Increase the livability and overall marketability of units, through high-quality design and construction.

MPHA's goal is to provide housing that meets the current and projected needs of low-income households in Minneapolis, and preserves—and where possible increases—affordable housing options in all Minneapolis neighborhoods.

MPHA commits to protect those MPHA residents who are particularly vulnerable, including the elderly, persons with disabilities, persons with income below 30 percent of the area median income, and immigrant families (as permitted by law).

MPHA will encourage active and meaningful resident and community participation throughout the planning and implementation process, and seek collaborations and partnerships with the City of Minneapolis, other governmental agencies, and housing advocates where appropriate to enhance and improve MPHA's affordable housing portfolio.

MPHA intends that residents participate and contribute to the planning and design discussions. If MPHA has a redevelopment opportunity that includes strategies not previously anticipated by the agency, MPHA commits to bring these approaches to the residents as soon as possible for an open review and discussion of the options.

MPHA will make real estate investment decisions for each property and MPHA's city-wide housing stock that reflect MPHA's mission statement:

The mission of Minneapolis Public Housing Authority (MPHA) is to promote and deliver quality, well managed homes to a diverse, low income population and, with partners, contribute to the well-being of the individuals, families and community we serve.

MPHA intends to preserve all existing public housing units. If the eventual redevelopment effort results in the loss of units, MPHA commits to develop replacement units elsewhere in the city. To the extent feasible, MPHA will develop replacement units prior to the demolition of existing units. MPHA will also look to create phased demolition and reconstruction plans so that these activities are closely timed, with on-site and replacement units provided in coordinated fashion.

MPHA commits to preserving the high-rise properties and to limit demolition at these sites to work necessary to reconfigure units or common spaces in accordance with an approved design, expand community spaces, add units, or provide for additional service options and amenities at the site.

MPHA commits to provide adaptable and accessible design features so that residents might have the opportunity to stay in units longer as they age in place.

MPHA's planning efforts shall include development of a comprehensive relocation plan with the residents of each affected property. The relocation plan will describe options and choices for relocation, provide a complete description of relocation assistance provided by MPHA (such as packing and unpacking, type and amount of payments provided to residents impacted by the move, and other features or services as negotiated between the residents and MPHA. Relocation benefits apply to both the move out and the return move.

MPHA intends that the redevelopment efforts result in no permanent displacement of any current MPHA resident. Relocation plans negotiated with the residents will include a right-of-return for families displaced by redevelopment work.

MPHA commits to keeping existing resident participation and support programs: resident councils, the city-wide resident organization (MHRC), Project Lookout, joint diversity initiatives, active living initiatives, the high-rise laundry project, vending machines and other income options that support resident programs, resident council funding, and services provided by others at the buildings (such as the Volunteers of America).

Post redevelopment, MPHA commits to retain management and maintenance responsibilities for all the buildings. This commitment is subject to specialized redevelopment, such as assisted living or supportive housing, where a third party may manage. If the redevelopment of a site demands any deviation from MPHA management and maintenance, this will be vetted with the resident organizations as part of the redevelopment planning process.

Should MPHA undertake redevelopment of a property with a private for-profit or nonprofit developer partner, MPHA will require that the developer/partner contribute to MPHA's mission including, where feasible, the provision of resident services, job, or educational opportunities. The partnership must result in a development agreement that provides permanently affordable housing and a return on investment that clearly benefits the MPHA and its residents.

Maalgeshiga Mabaadi'da Jaheyneyso Dib u hormarinta iyo Maalgashiga Shirkada ee MPHA

Waxaa ansixiyay Guddiga MPHA ee Guddoomiyayaasha ee Maajo 24, 2017

MPHA waxay ka qeybgaleysaa nidaamka qorsheynta bulshada, ee maalgeashiga balaaran ee lagu qiimeynayo baahiyada iyo fursadaha hadafka ku xiran ee dhammaan dhismooyinka ay leeyihin MPHA. Nidaamkaan wuxuu leeyahay labo hadaf ee ugu horeeyo:

- Hubi muuqaalka muddada dheer iyo kartida dhaqaalaha ee ka jiritaanka MPHA badeecada guryaha bulshada; iyo
- Kordhi noolaanshaha iyo suuqgeynta guud ee qeybaha, illaa naqshada tayada sareyso iyo dhismaha.

Hadafka MPHA waa siinta guryo buuxiyo baahiyada hadeer iyo baahiyada la saadiliyay ee qoysaska daqliga hoose ee Minneapolis, oo illaalisa—iyo halka suurtogalka ah ee kordhint—a dooqyada guryo la awoodi karo oo dhammaan xaafadaha Minneapolis.

MPHA waxaa ka go'an inay illaalso dadka dagan MPHA oo gaar ahan nugul, oo ay ku jiraan dadka waayeelada, dadka curyaanka ah, dadka leh daqliga ka hooseeya boqolkiiiba 30 ee aaga daqliga dhexdhaxaadka, iyo qoysaska muhaajirka ah (sida sharciga ogolyahay).

MPHA waxay ku dhiirogelineysaa deegaanka firfircoo oo wax ku ool leh iyo ka qeybgalka bulshada oo illaa nidaamka qorsheynta iyo fullinta, iyo raadi wadashqeynta iyo iskaashiyada Caasimada Minneapolis, hay'adaha dowlada kale, iyo u doodista guriyeynta halka ay ku haboontahay inay xoojiso oo wanaajiso maalgelinta guriga la awoodi karo ee MPHA.

MPHA waxay rabtaa in dadka dagan ka qeybqaataan oo ku tabarucaan qorsheynta oo naqshadeysa wadahadalada. Haddii MPHA leeyahay fursada dib u hormarinta oo ay ku jirto xeeladaha aanan horay looga fileynin hay'ada, MPHA waxay balanqaaday inay keento qaababkaan dadka degan sida ugu dhaqsiha badan ee suurtogalka ah u ah eegid furan iyo wadahadalka dooqyada.

MPHA ayaa sameyneysa go'aamada maalgashiga raasumaalka ee dhismo walba iyo badeecada guriyeynta caasimada oo dhan ee MPHA ee muujisaa bayaanka howlgalka MPHA:

Howlgalka Minneapolis Public Housing Authority (MPHA) waa sare u qaadida iyo gaarsiinta guryo tayeysan, si wanaagsan loo maamulay ee kala duwan, dadka qadliga hooseeyo iyo, jaalalka, waxay ku tabarucdaa fayo qabka shaqsyaadka, qoysaska iyo bulshada aan u adeegno.

MPHA waxay rabtaa inay ilaalso dhammaan ka jiraan qeybaha guriyeynta bulshada. Haddii dadaalada dib u hormarinta ugu dambeeyo waxay sababtaa qasaaraha qeybaha, MPHA ayaa balaanqaaday inay waxay aasaaseysaa qeybaha badelida ka hor duminta qeybaha jiray. MPHA waxay sidoo kale eegayaan inay aasaasaan burburinta la sameeyay iyo qorshooyinka dib u dhisida si markaas howlahaan si dhow loo waqtieeyo, oo ay la jirto goobta iyo qeybaha badelka ee lagu bixiyay qaabka la xiriiriyay.

MPHA waxay balanqaaday inay ilaaliso hantiyada qiiamaha sareeyo iyo si loo xadeeyo burburinta goobahaan si ay uga shaqeyso muhiimka qeybaha dib loo hagaajinayo ama boosaska caadiga ah sida waafaqsan naqshada la ansixiyay, boosaska bulshada la kordhiyay, ku dar qeybaha, ama bixi dooqyada adeegyo dheeraad ah iyo wax ku oolka goobta.

MPHA waxay balanqaaday inay bixiso muuqaalada lala qabsan karo iyo naqshadaha la heli karo si markaas dadka dagan u helaa fursada loogu joogo qeybaha muddo dheer sida ay meel ugu da'oobaan.

Dadaalada qorsheynta MPHA waxaa ku jirayo hormarinta qorshaha dib u dajinta dhameystiran iyo dadka dagan oo midkood saameysay guryaha. Qorshaha dib u dajinta wuxuu sharaxayaa iqtyaarada iyo dooqyada ee dib u dagida, bixiyaa sharaxaad dhameystiran ee caawinta dib u dagida ee ay bixiyeen MPHA (sida baakideynta iyo kala furida, nooca iyo tirada lacag bixinta ee la siiyay dadka dagan ee ay saameysay guurida, iyo qaababka kale ama adeegyada sida looga xaajooday ee u dhaxeyso dadka dagan iyo MPHA). Faa'idooyinka dib u dagida waxay quseysaa labadaba ka guurida iyo guurida soo noqodka.

MPHA waxay rabtaa in dadaalada dib u hormarinta ay sababtaa wax meeleyn aan joogto aheyn ee dadka dagan MPHA hadeer. Qorshoooyinka dib u dagida ee lagala xaajooday dadka dagan waxaa ku jirayo xaquuqda soo noqodka ee qoysaska ay barakiciyen shaqada dib u hormarinta.

MPHA waxaa ka go'an inay joogteyso ka qeybqaadashada dadka horay u daganaa iyo barnaamijiyada taageerada: golayaasha dadka dagan, hay'ada dadka dagan ee caasimada (MHRC), Mashruuca Eegida, dadaalada wada jirka ee kala duwan, dadaalada noolaanshaha firfircooni, mashruuca dhar dhaqa sareeyo, mashiinada cuntada iyo dooqyada daqliyada kale ee taageero barnaamijiyada dadka degan, maalgelinta gollaha dadka dagan, iyo adeegyada ay bixiyeen kuwa kale ee dhismaha (sida Tabarucayaasha Mareykanka).

Dib u hormarinta la soo dhaafay, MPHA waxay balanqaadeysaa inay ceshato maamulida iyo dayactirka masuuliyadaha ee dhammaan dhismooyinka. Balanqaadkaan waxay quseysaa dib u hormarinta la gaareeyay, sida noolaanshaha lacaawiyay ama taageerada guriyeynta, halka xisbi sadexaad laga yaabo inuu maamulo. Haddii goobta dib u hormarinta u baahato weecashada walba ee ka imaaneya maamulida iyo dayactirka MPHA, tani waxaa lala baarayaa hay'adaha dadka dagan sida qeyb ka ah nidaamka qorsheynta dib u hormarinta.

Haddii ay MPHA sameyso dib u hormarinta hantida ee la jirto Iskaashiga aan faa'ido-doonka aheyn ama hormariyaha jaalka aan faa'ido doonka aheyn, MPHA waxay u baahaneysaa in hormariyaha/jaalka ku tabaruco howlgalka MPHA oo ay ku jiraan, halka macquulka ah, bixinta adeegyada daganaanta, shaqada ama fursadaha waxbarashada. Iskaashiga waa inuu sababaa heshiiska hormarinta ee siiso guryo joogta ah oo la awoodo iyo soo celinta maalgelinta ee sida cad uga faa'idaan MPHA iyo dadka dagan.
