

To: Mayor Betsy Hodges, Minneapolis City Council, Minneapolis Public Housing Authority (MPHA) Board of Commissioners

Don't sell Minneapolis public housing to private developers! Don't use the Low-Income Housing Tax Credit for private developers to profit. Keep public housing under the Declaration of Trust (land trust), and don't approve the transfer of public housing to "Land Use Restriction Agreement" which allows privatization. Access public funds from state and city to keep public housing public.
